- ✚ Every year 10,000 patients need a marrow transplant from an unrelated donor but only half receive one.
- ✚ Half is not enough. Every patient counts!
- ✚ Becoming a marrow/stem cell donor is sharing the gift of life.
- ✚ No one knows whose life may be saved with a donation; it could be yours, friends, relatives or neighbors.
- ✚ Be a donor, volunteer, coordinator in remembrance of all the victims of 9/11.
