

Hindu Temples' National Bone Marrow Donation Campaign

In Memory of the Victims of 9/11

- ✦ Swab a cheek, it takes only 5 seconds!
- ✦ Every year 10,000 patients need a marrow transplant from an unrelated donor but only half receive one.
- ✦ Half is not enough. Every patient counts!
- ✦ Becoming a marrow/stem cell donor is sharing the gift of life.
- ✦ No one knows whose life may be saved with a donation; it could be yours, friends, relatives or neighbors.
- ✦ Be a donor, volunteer, coordinator in remembrance of all the victims of 9/11.
